

## Bake and Decorate

### Easy Chocolate Cake

This cake is from the kitchen of Corinna, one of the best cake makers and decorators I have ever taught.

#### Ingredients:

- 1 plain lable Chocolate cake mix
- 1 plain lable Chocolate pudding mix
- 3/4 cup **Callebaut** milk chocolate callets
- 2 Eggs
- 1 cup Milk
- 1/2 cup Vegetable oil

#### Directions:

Pre-heat oven on 160c. (fan forced)

Prepare tin by using **Le Kitchen's cake release**, grease and line with baking paper a 8x3" square cake tin.

Beat all ingredients (except **Callebaut** milk chocolate callets) on a medium speed together for 4 minutes.

Gently stir in the chocolate callets.

Pour mixture into prepared tin.

Bake for 1 hour or until cooked.

*Corinna's tips: This cake keeps for weeks in an airtight container in the fridge.*
